Sup all,

Here's my top 5 tunes atm in 45 rare groove/ Nu skool breaks/and House:) I hope some headz dig it, lemmie know won't ya?

Here goes.....

Latest top 5 funk 45's

1."Blow your top"-the soul destroyers (Stark reality)

2."Funky so-and-so"-the sugarman three (Daptone)

3."Devils anvil" -eddie warner (Jazzman)

4."Compin'&smokin'inst"-calipso king (soulfire),(actually the best soulfire yet i reckon-get it!)

5."Eel oil"-the bamboo's (bamoo shack)

Anything on the labels 'Stark reality', 'soul-fire', 'Daptone' and new US 45 label 'Memphix' are definately worth a listen! (Great loud pressings too!

NUSKOOL breaks/dancefloor Bangers!

1."Fist like this"-Johnny dangerously vs darren chapman (a 3 track subase weapon from hell on 'funtional breaks' fb0013)

2."thinkin' about you baby/mutate the beat"-those 'finger lickin' kidz

3."the Abyss"-Subho (acetate/ also a nice trance tune on there aswell)

4."the future of this"-flow (bassmekanik-slammin' electrO, even if they've ripped off some sounds from 'Korg's' electribe drum machine...got ya!)

5."Soul of man"-dreadzone (finger lickin' ...yeah it ain't brand new but it still a crazy tune/both sides)

House!!!! (last but definately NOT least)

1."give it up" -Jay-j & chris lum (Chez...being on mr Damierz label says enough-smooth garage! NY stylee)

2."the drumbums ep"-steve mac & yosef (disfunkcional recordings...D,Tenaglia stylee one side...D,Carter kinda stylee the other ..it's just a dope piece of wax!!!!)

3."Big trouble in little aix ep"-Drexel (one of the better blackjack releases)

4."End of time ep"-nicolas vallee (uk release licenced from france...nice)

5."Another night"- Larry heard (trackmode...larry heard is a chi-town legend, he's been around since day dot..this is my fav house track atm, not extremely pummin' but very blissful especially with moodymans(detroit) final touches!)
